

JOIN THE GREEN CAMPUS INITIATIVES!

At Green Campus Initiatives, we believe in creating a sustainable future by taking action today.

ACTIVITIES

WASTE MANAGEMENT

Properly segregate waste into categories like biodegradable, recyclable, and non-recyclable for efficient disposal.

RECYCLING

Reuse materials like plastic, paper, and glass to reduce waste and conserve resources.

TREE PLANTING

Plant trees to improve air quality, reduce carbon emissions, and support biodiversity.

BECOME AN ECO WARRIOR!
